The screenshot displays the Canva mobile app's main interface. At the top, there is a search bar with the placeholder text "Busque qualquer conteúdo do Canva". Below the search bar, a horizontal scroll bar shows category buttons: "Fundo", "Praia", "Flores", "Branco", and "Dinhe". The main content area is organized into sections, each with a title and a "Ver tudo" (View all) link. The sections are: "Usados recentemente" (Recently used) showing a circle, a square, and a red pill shape; "Linhas e formas" (Lines and shapes) showing a circle, a square, and a triangle; "Elementos gráficos" (Graphic elements) showing a red can, a green star, a pink perfume bottle, and a person; "Fotos" (Photos) showing five different images; "Videos" (Videos) showing two video thumbnails with durations of 11.0s and 6.0s; and "Áudio" (Audio) at the bottom. On the left side, there is a vertical sidebar with icons and labels for "Templates", "Elementos" (Elements), "Uploads", "Texto" (Text), "Estilos" (Styles), "Áudio" (Audio), "Fundo" (Background), "Emoji", "Pexels", "Pixabay", "Dropbox", and "Google Drive".

The screenshot shows the Language Reactor website interface. On the left is a dark sidebar with a menu: Home, Youtube Catalogue, Netflix Catalogue, TurtleTube (with a 'BETA' tag), Video File (with a 'BETA' tag), Text (with a 'BETA' tag), Saved Items, Flashcards, Forum, Help, Settings, and Sign in. The main content area is titled 'Watching Videos' and includes a 'Setup complete' notification. Below this is a video player showing a scene from 'Rick and Morty'. Callouts point to the video player controls: 'Click on a word to see the dictionary. Right click a word to save it.' points to a word in the subtitles, 'Click here to open the settings.' points to the settings gear icon in the player, and 'Click here to enable or disable the extra features.' points to the Language Reactor extension icon in the player. A sidebar on the right lists extensions: Tag Assistant Companion, Language Reactor (highlighted with a red box), Save Live Streaming Chats for YouTube, and Gerenciar extensões. A red arrow points from the 'Acesso solicitado' section to the Language Reactor extension icon.
