Pirâmide do Aprendizado

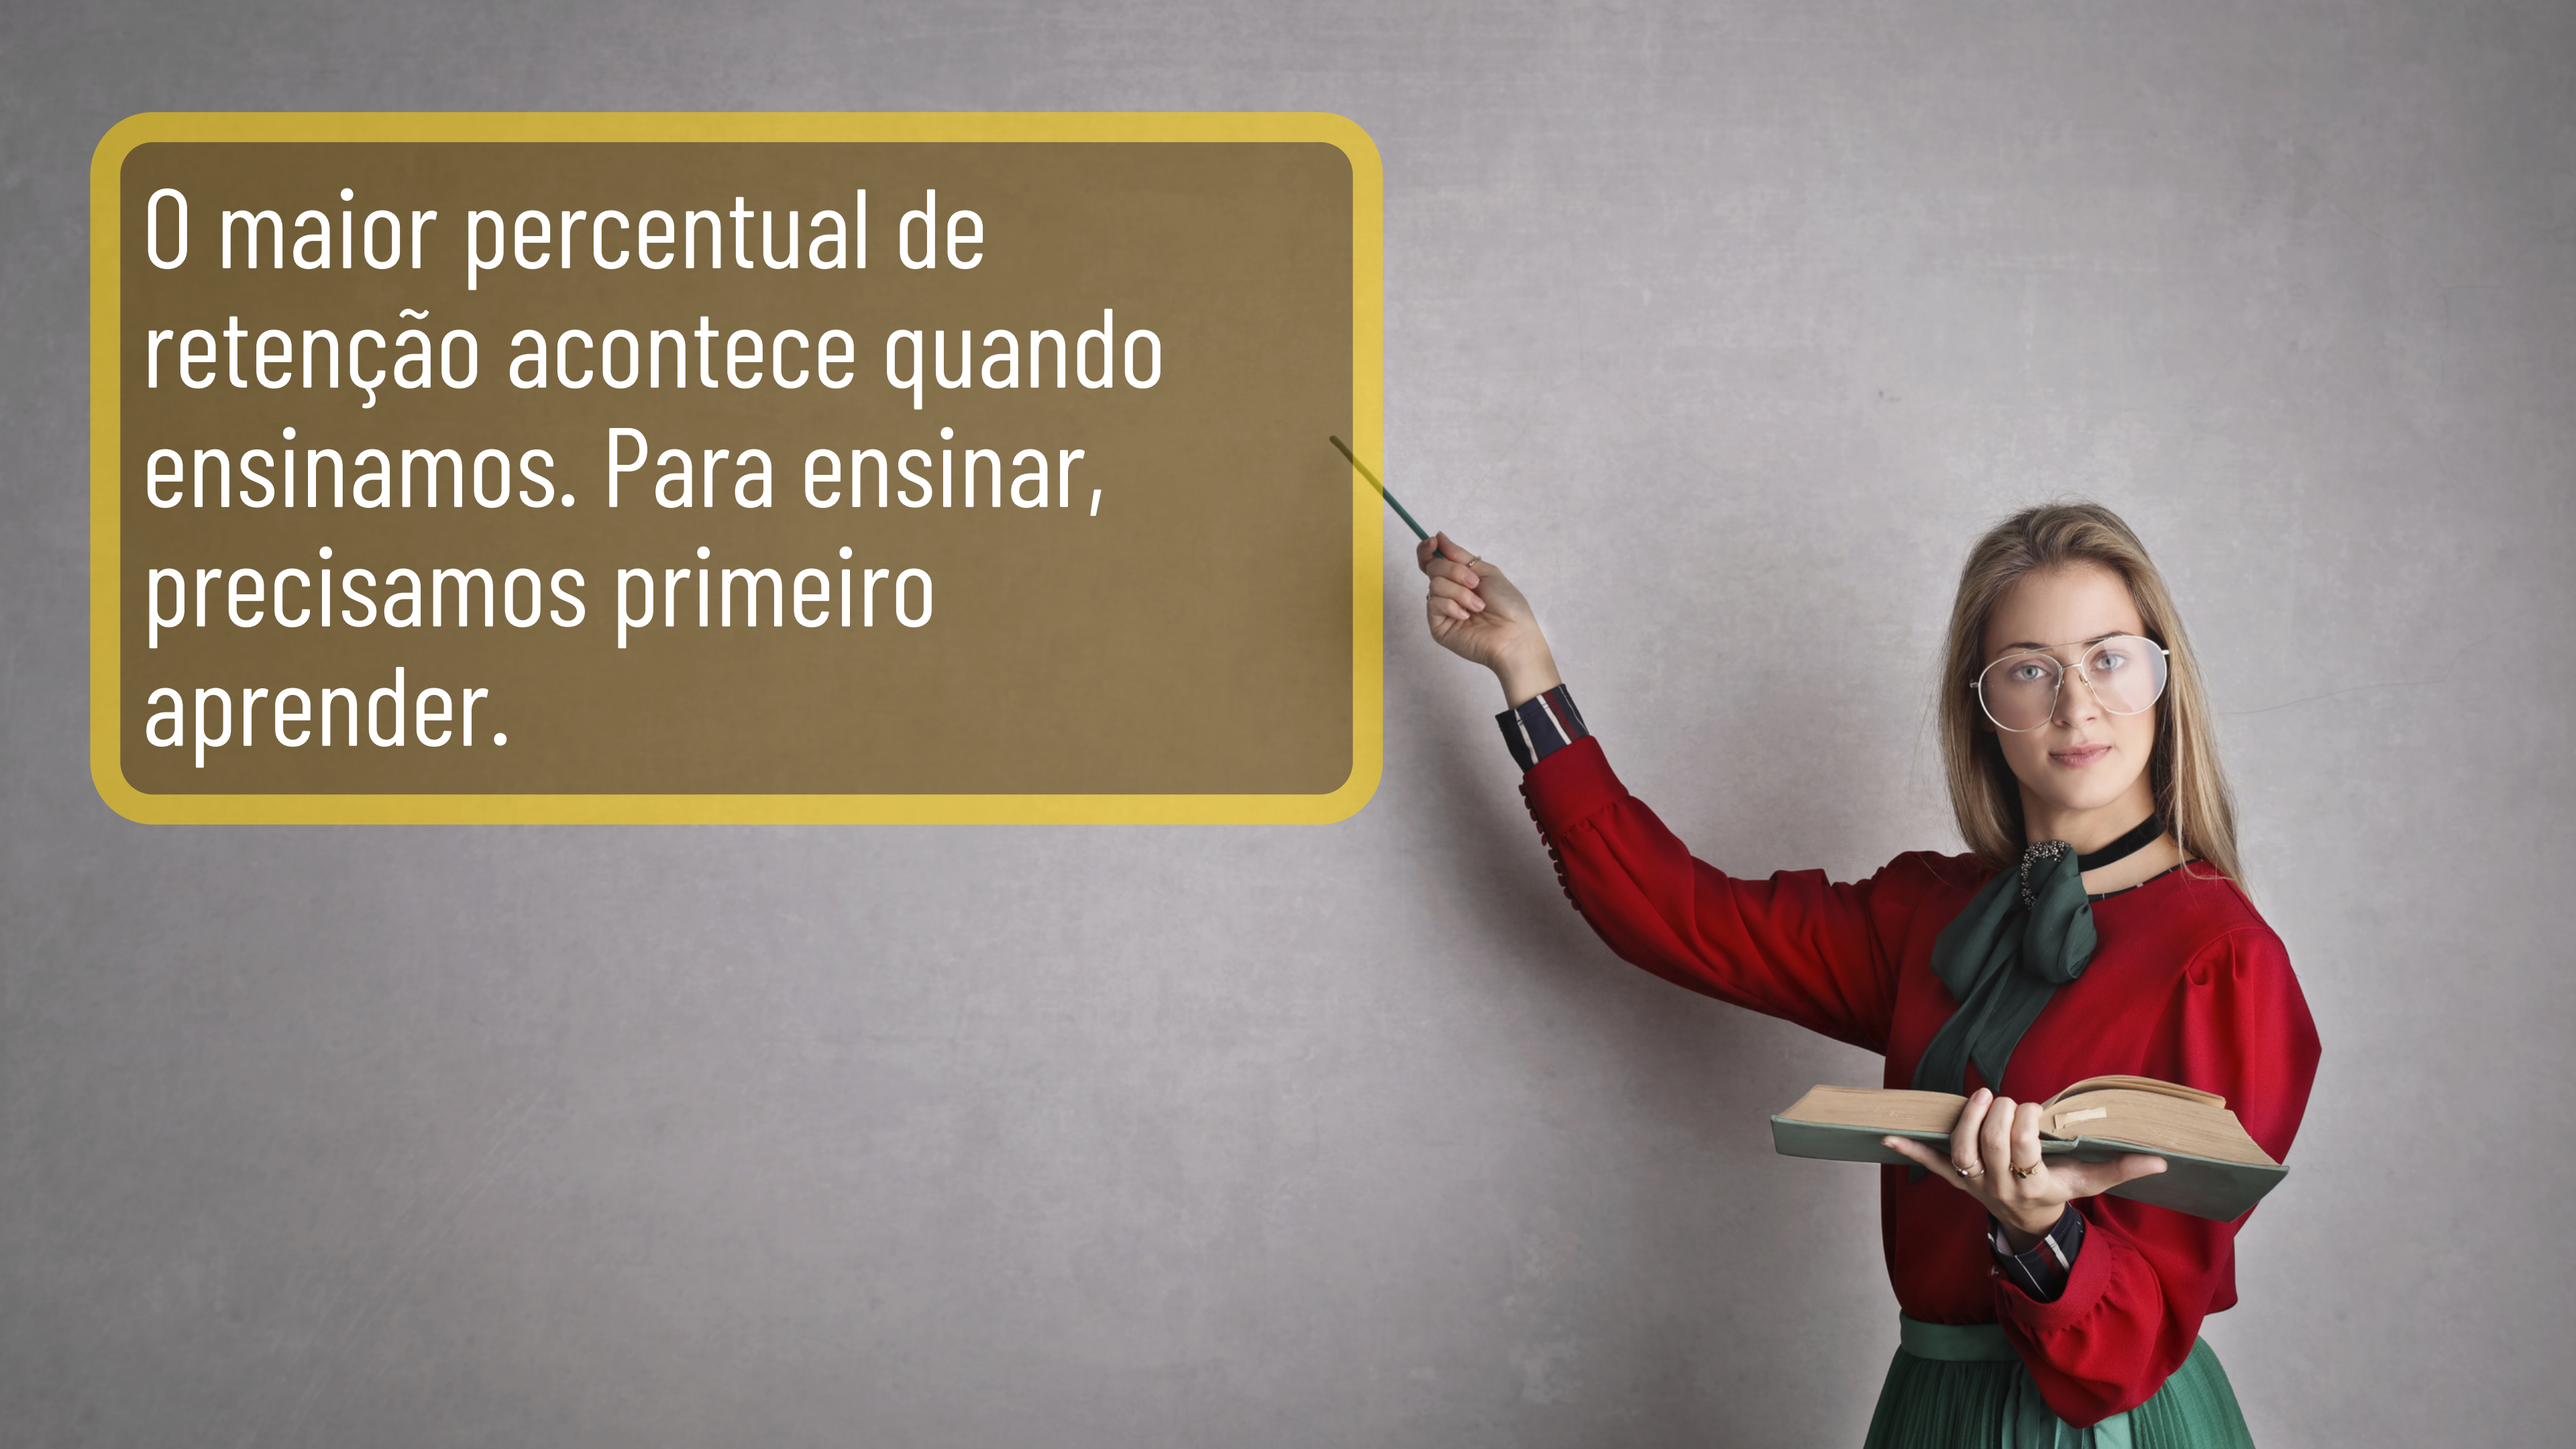

O conceito de pirâmide do aprendizado tem sido atribuído recentemente ao psiquiatra americano William Glasser (1925 – 2013), porém pesquisas bibliográficas indicam que este termo tem sido encontrado em diversas referências há mais de 160 anos.

PIRÂMIDE DE APRENDIZAGEM DE WILLIAM GLASSER

How I Met Your Mother Quotes
Oh my god!
They're 6 minutes into the date.
Ted's probably already
told her that he loves her!

If you hadn't been so rude to me,
I wouldn't have hit you!

If I had studied more, I would have passed the test.
ZENELY PHOTOGRAPHY

If it hadn't rained, I would have done it.

Sorry haven't collected **if you hadn't**, below are search tools, hope can help you.

if you hadn't in a sentence search Google Bing Yahoo Baidu

Below are sentences including the word, totally 18. Also you can try Vague search(by google)

1. The policeman wouldn't have believed me **if you hadn't** backed me up.

2. I would have accomplished nothing **if you hadn't** helped.

3. He would have agreed **if you hadn't** blundered in.

4. **If you hadn't** told him he would never have known.

5. Would you have gotten the promotion **if you hadn't** bellied up to the boss?

6. Alex would never have found out **if you hadn't** told him.

7. In those days, **if you hadn't** married by the time you were 30, you were definitely on the shelf.

8. **If you hadn't** been a doormat you wouldn't have been trodden on - that's what doormats are for.

9. **If you hadn't** have been here, I don't think I would have managed.

10. He would never have found out **if you hadn't** shown up in the office.

11. We would have won **if you hadn't** tried to weigh in with your silly ideas.

12. You were a total failure **if you hadn't** married by the time you were about twenty-three.

13. I hate to think what would have happened **if you hadn't** been there.

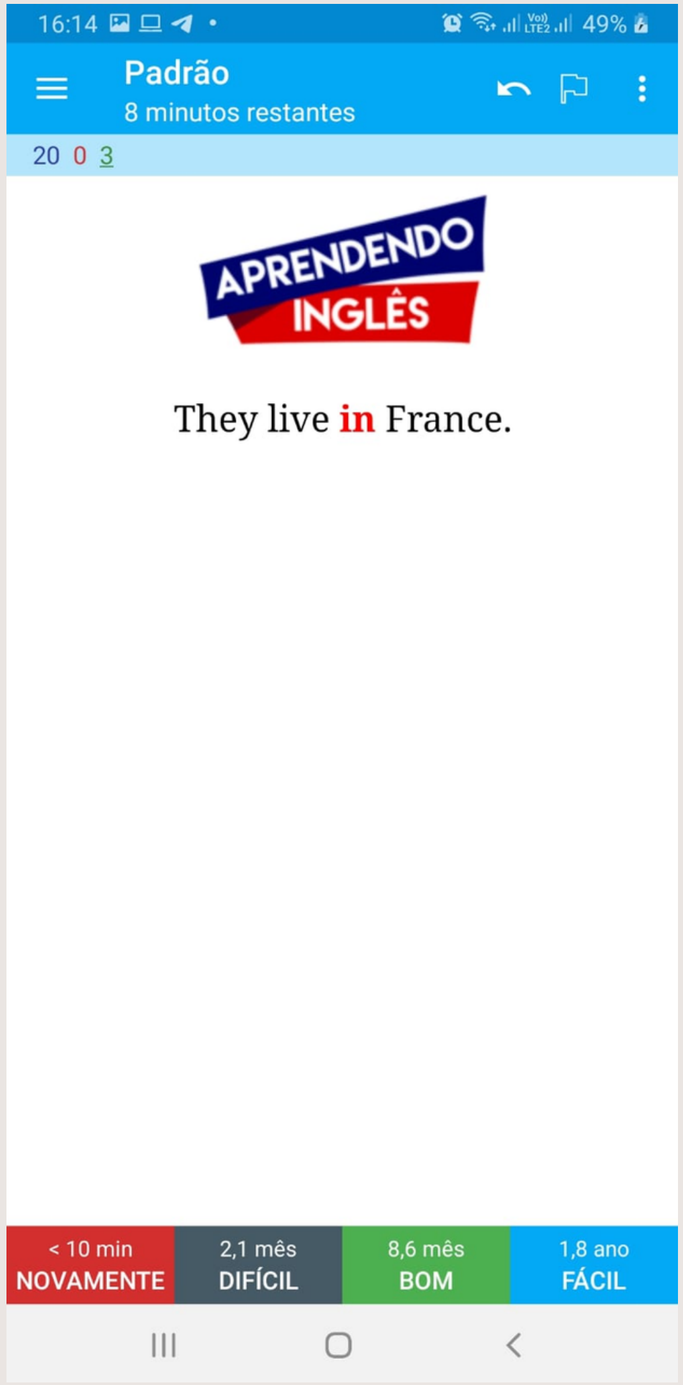

14. I hate to think what would have happened **if you hadn't** called the police.

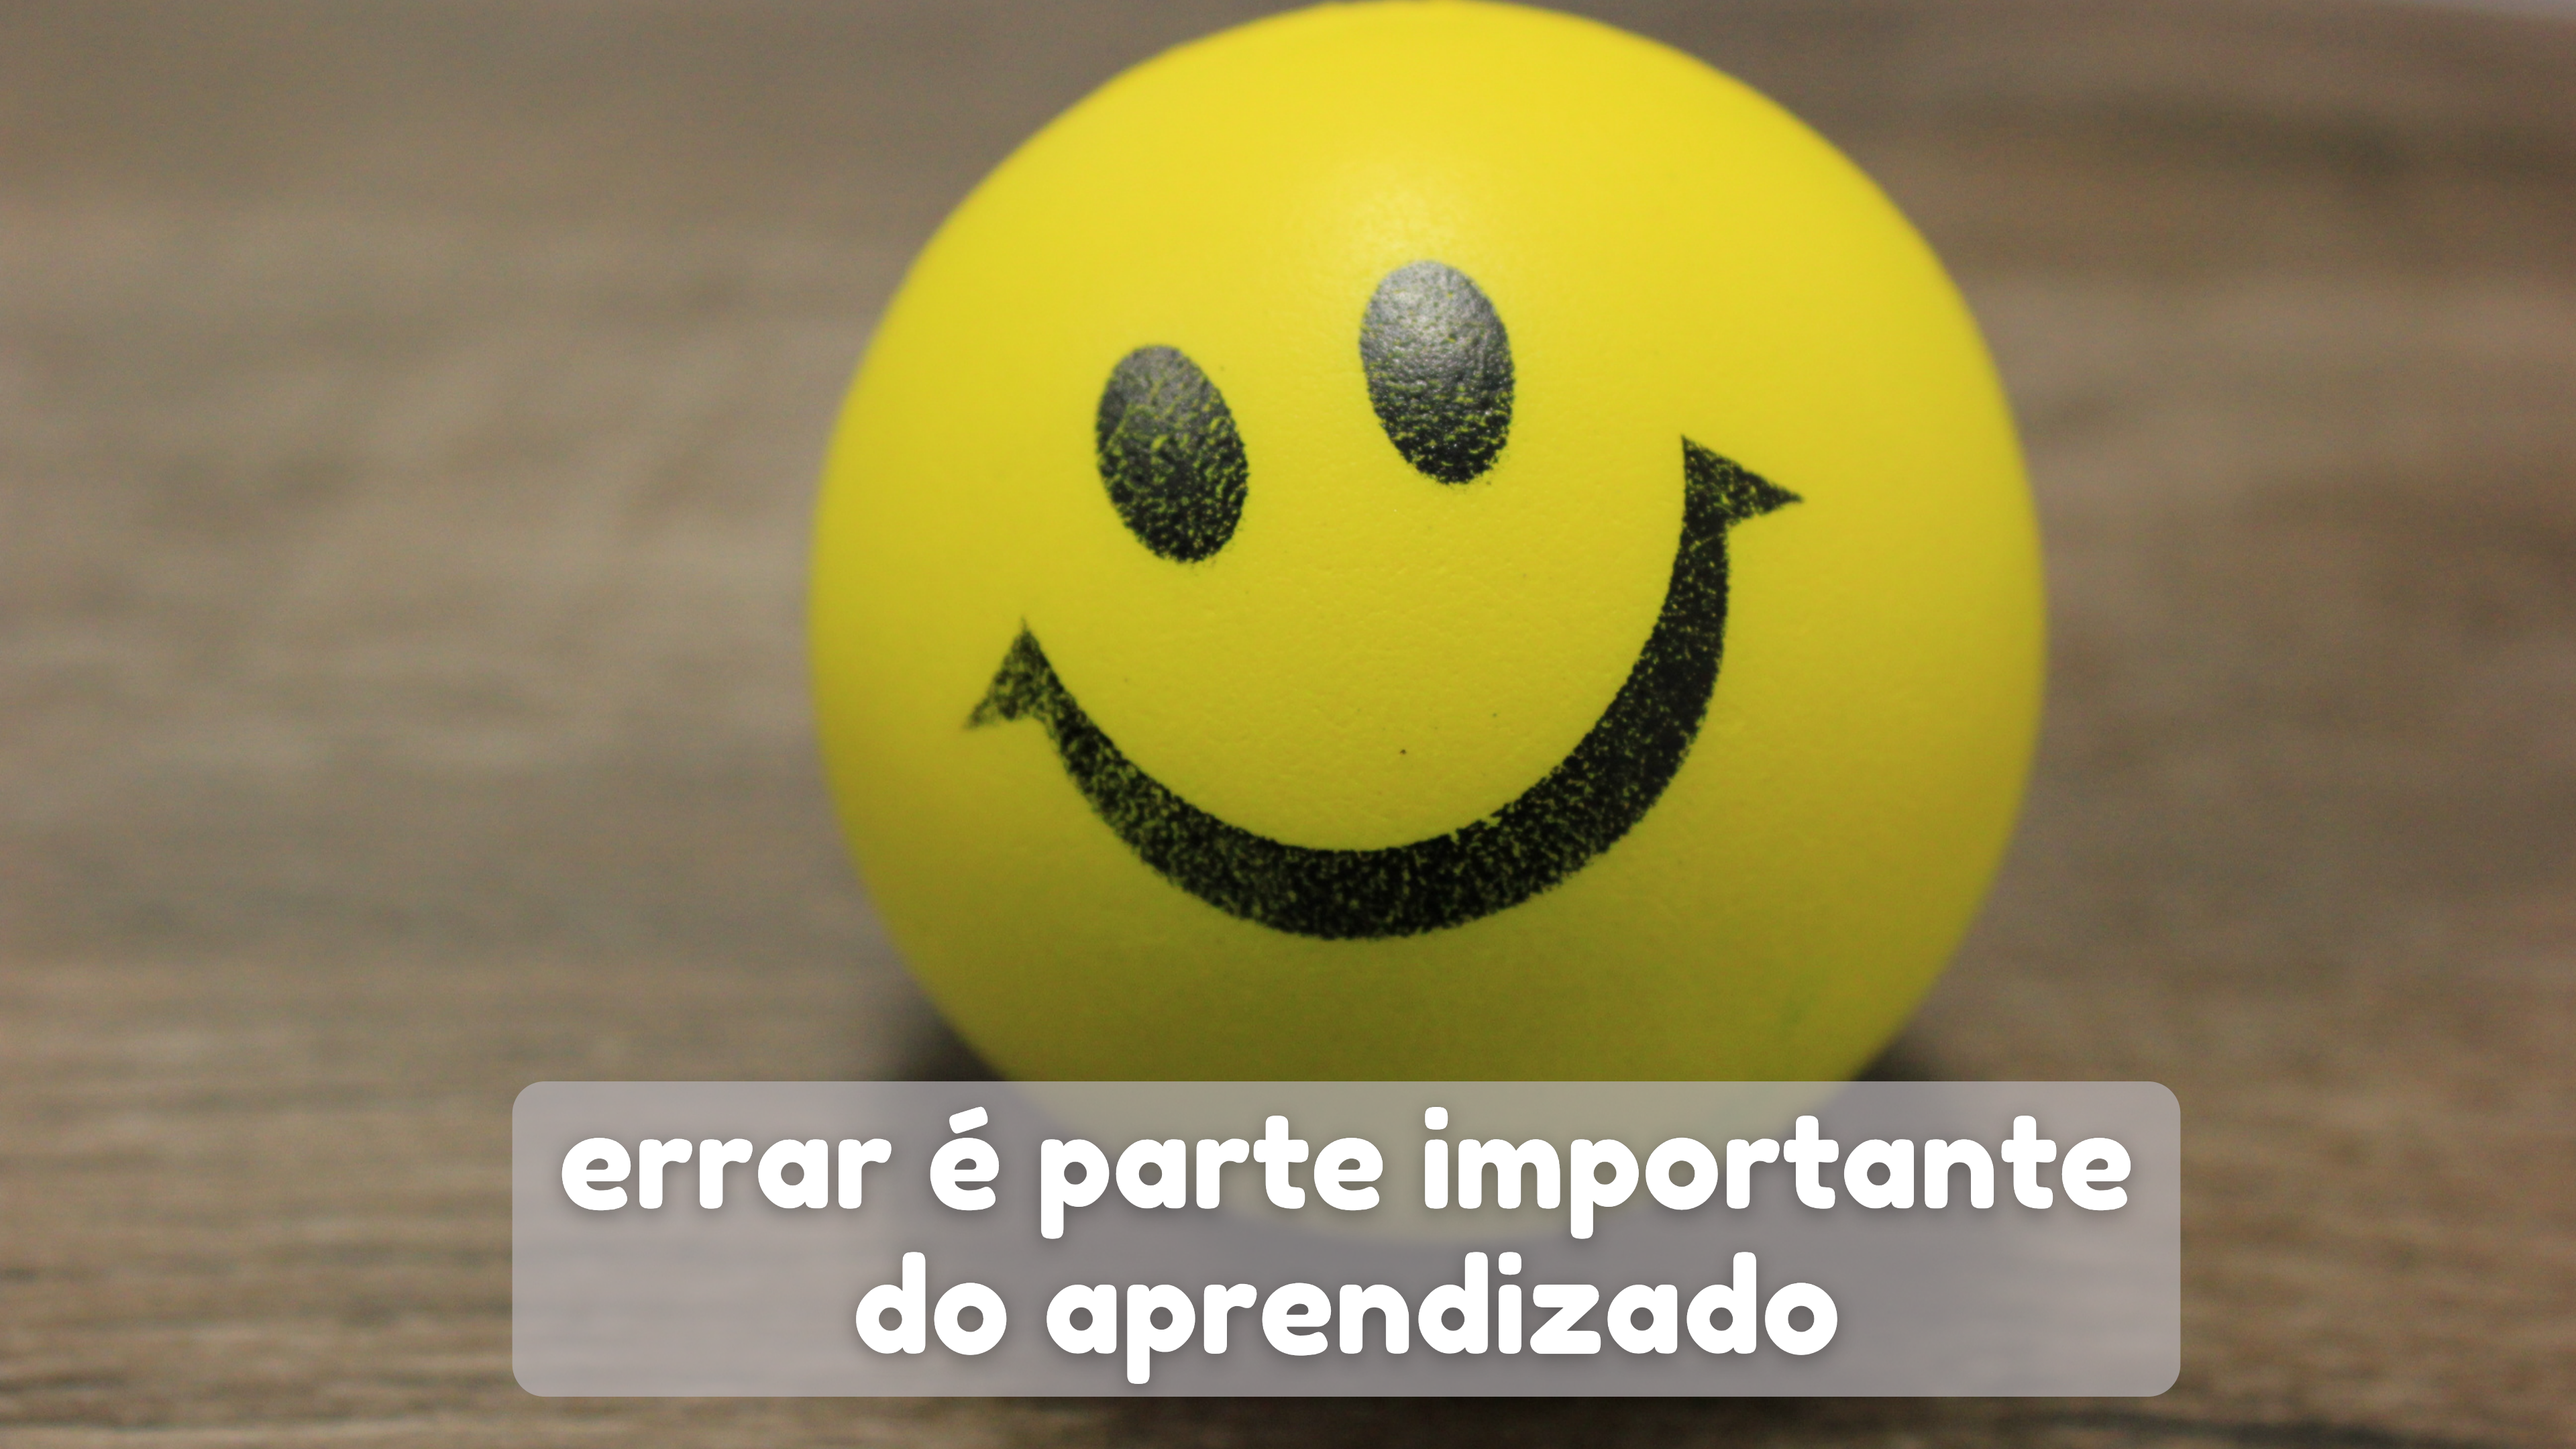

“Quanto mais rápido você vai, mais estudantes deixa para trás. A medida real é o quanto os estudantes aprenderam.”

Dr. William Glasser

A escola nos mostra o mapa, mas quem tem que percorrer o caminho somos nós.
