Handling teens.	Como lidar com adolescentes.
A wise old gentleman retired and purchased a modest home near a junior high school.	Um sábio senhor se aposentou e comprou uma casa modesta perto de uma escola secundária.
He spent the first few weeks of his retirement in peace and contentment.	Ele passou as primeiras semanas de sua aposentadoria em paz e contentamento.
Then a new school year began.	Então, um novo ano escolar começou.
The very next afternoon three young boys, full of youthful, after-school enthusiasm, came down his street, beating merrily on every trash can they encountered.	Na tarde seguinte, três meninos, cheios de entusiasmo juvenil depois da escola, desceram sua rua, batendo alegremente em cada lata de lixo que encontravam.
The crashing percussion continued day after day, until finally the wise old man decided it was time to take some action.	A percussão de latas continuou dia após dia, até que finalmente o velho sábio decidiu que era hora de agir.
The next afternoon, he walked out to meet the young percussionists as they banged their way down the street.	Na tarde seguinte, saiu para encontrar os jovens percussionistas enquanto eles abriam caminho pela rua.
Stopping them, he said:	Parando-os, ele disse:
"You kids are a lot of fun. I like to see you express your exuberance like that. In fact, I used to do the same thing when I was your age. Will you do me a favor? I'll give you each a dollar if you'll promise to come around every day and do your thing."	"Vocês, crianças, são muito divertidos. Gosto de vê-los expressando sua exuberância desta forma. Na verdade, eu costumava fazer a mesma coisa quando tinha a sua idade. Vocês podem me fazer um favor? Vou dar a cada um de vocês um dólar se prometerem vir todos os dias bater nas latas."
The kids were elated and continued to do a bang-up job on the trash cans.	As crianças estavam exultantes e continuaram a fazer um ótimo trabalho nas latas de lixo.
After a few days, the old-timer greeted the kids again, but this time he had a sad smile on his face.	Depois de alguns dias, o veterano senhor cumprimentou as crianças novamente, mas desta vez ele tinha um sorriso triste no rosto.
"This recession's really putting a big dent in my income," he told them.	"Esta recessão está realmente reduzindo minha renda", disse ele.
"From now on, I'll only be able to pay you 50 cents to beat on the cans."	"De agora em diante, só poderei pagar 50 centavos para vocês baterem nas latas."
The noisemakers were obviously displeased, but they did accept his offer and continued their afternoon ruckus.	Os barulhentos ficaram obviamente descontentes, mas aceitaram a oferta e continuaram com a confusão da tarde.
A few days later, the wily retiree approached them again as they drummed their way down the street.	Poucos dias depois, o astuto aposentado aproximou-se deles novamente enquanto eles percorriam o caminho pela rua.
"Look," he said, "I haven't received my Social Security check yet, so I'm not going to be able to give you more than 25 cents. Will that be okay?"	"Olha", disse ele, "ainda não recebi meu cheque da Previdência Social, então não poderei lhes dar mais do que 25 centavos. Tudo bem?"
"A lousy quarter?" the drum leader exclaimed.	"Uma porcaria de 25 centavos?" o líder da bateria exclamou.

"If you think we're going to waste our time, beating these cans around for a quarter, you're nuts! No way, mister. We quit!"	"Se você acha que vamos perder nosso tempo, batendo nessas latas por 25 centavos, você está louco! De jeito nenhum, senhor. Nós desistimos!"
And the old man enjoyed peace.	E o velho senhor desfrutou da paz.
