A preguiça não vai te levar a lugar nenhum	Laziness won't get you anywhere
Nos tempos antigos, um rei ordenou a seus homens que colocassem uma pedra em uma estrada.	In ancient times, a king had his men place a boulder on a roadway.
Ele então se escondeu nos arbustos e observou para ver se alguém tiraria a pedra do caminho.	He then hid in the bushes, and watched to see if anyone would move the boulder out of the way.
Alguns dos mercadores e cortesãos mais ricos do rei passaram e simplesmente contornaram o local.	Some of the king's wealthiest merchants and courtiers passed by and simply walked around it.
Muitas pessoas culpavam o rei por não manter as estradas desimpedidas, mas nenhuma delas fez alguma coisa para remover a pedra.	Many people blamed the King for not keeping the roads clear, but none of them did anything about getting the stone removed.
Um dia, um camponês apareceu carregando vegetais.	One day, a peasant came along carrying vegetables.
Ao se aproximar da pedra, o camponês largou seu fardo e tentou empurrar a pedra para fora do caminho.	Upon approaching the boulder, the peasant laid down his burden and tried to push the stone out of the way.
Depois de muito empurrar e se esforçar, ele finalmente conseguiu mover a pedra.	After much pushing and straining, he finally managed to move the boulder.
Depois que o camponês voltou para pegar seus vegetais, ele notou uma bolsa caída na estrada onde a pedra estava.	After the peasant went back to pick up his vegetables, he noticed a purse lying in the road where the boulder had been.
A bolsa continha muitas moedas de ouro e um bilhete do rei explicando que o ouro era para a pessoa que removesse a pedra da estrada.	The purse contained many gold coins and a note from the King explaining that the gold was for the person who removed the boulder from the road.
