One people did not know the other, because the access roads were steep, taken by dense forests.	Um povo desconhecia o outro, porque as vias de acesso eram íngremes, tomadas por densas matas.
One fine day, the people of the mountain decided to go down to the valley in search of riches.	Um belo dia o povo da montanha resolveu descer ao vale em busca de riquezas.

order to see if the expedition would return victorious!	intuito de ver se a expedição retornaria vitoriosa!
Finally, the men returned, but empty-handed!	Finalmente, os homens regressaram, mas de mãos vazias!
Despite their efforts, the various attempts, they had lost their way among the mountain trails, and had not been able to find the path that would lead them to the people above.	Embora seus esforços, as várias tentativas, eles haviam se perdido entre as trilhas da montanha, e não tinham conseguido encontrar o caminho que os conduziria ao povo de cima.

It was then that a slight baby cry caught their attention.	Foi então, que um leve choro de bebê, lhes chamou a atenção.
They all turned towards the sound, and saw the poor mother who had her baby kidnapped come to meet them.	Voltaram-se todos na direção do som, e viram a pobre mãe que tivera seu bebê raptado vir ao encontro deles.

Safe and sound!	São e salvo!
"How did you do it?"	"Como você conseguiu?"
It was everyone's question!	Foi a pergunta de todos!
"How? If we, vigorous men trained in wandering, couldn't find the right trail and overcome the mountain."	"Como? Se nós, homens vigorosos e treinados em andanças, não conseguimos encontrar a trilha certa e vencer a montanha ."
"How did you, a woman alone, manage to get to the top and rescue the baby?"	"Como você, uma mulher sozinha, conseguiu ir até ao topo e resgatar o bebê?"
And the mother, tucking the small burden even closer to her chest, smiled and replied:	E a mãe, aconchegando mais ainda ao peito o fardo pequenino, sorriu e respondeu:
"I made it because it was my son up there!"	"Eu consegui, porque era o meu filho que estava lá em cima!"
