Perhaps	Talvez
Perhaps I will grow old too quickly. But I will fight to make sure that every day has been worthwhile.	Talvez eu venha a envelhecer rápido demais. Mas lutarei para que cada dia tenha valido a pena.
Perhaps I will suffer countless disappointments throughout my life. But I will make them lose their importance in the face of the gestures of love I have found.	Talvez eu sofra inúmeras decepções no decorrer de minha vida. Mas farei que elas percam a importância diante dos gestos de amor que encontrei.
Perhaps I will not have the strength to accomplish all my ideals. But I will never consider myself defeated.	Talvez eu não tenha forças para realizar todos os meus ideais. Mas jamais irei me considerar um derrotado.
Perhaps at some moment I will suffer a terrible fall. But I will not spend much time looking at the ground.	Talvez em algum instante eu sofra uma terrível queda. Mas não ficarei por muito tempo olhando para o chão.
Perhaps one day the sun will stop shining. But then I will bathe in the rain.	Talvez um dia o sol deixe de brilhar. Mas então irei me banhar na chuva.
Perhaps one day I will suffer some injustice. But I will never assume the role of a victim.	Talvez um dia eu sofra alguma injustiça. Mas jamais irei assumir o papel de vítima.
Perhaps I will have to face some enemies. But I will have the humility to accept the hands that will reach out to me.	Talvez eu tenha que enfrentar alguns inimigos. Mas terei humildade para aceitar as mãos que se estenderão em minha direção.
Perhaps on one of those cold nights I will shed many tears. But I will not be ashamed of this gesture.	Talvez numa dessas noites frias, eu derrame muitas lágrimas. Mas não terei vergonha por esse gesto.
Perhaps I will be deceived many times. But I will not stop believing that somewhere there is someone worthy of my trust.	Talvez eu seja enganado inúmeras vezes. Mas não deixarei de acreditar que em algum lugar alguém merece a minha confiança.

Perhaps with time I will realize that I have made great mistakes. But I will not give up on continuing to walk my path.	Talvez com o tempo eu perceba que cometi grandes erros. Mas não desistirei de continuar trilhando meu caminho.
Perhaps over the years I will lose great friendships. But I will learn that those who are truly my friends are never truly lost.	Talvez com o decorrer dos anos eu perca grandes amizades. Mas irei aprender que aqueles que realmente são meus verdadeiros amigos nunca estarão perdidos.
Perhaps some people may wish me harm. But I will continue planting the seed of brotherhood wherever I go.	Talvez algumas pessoas queiram o meu mal. Mas irei continuar plantando a semente da fraternidade por onde passar.
Perhaps I will feel sad when I realize that I cannot keep up with the rhythm of the music. But then I will make the music follow the rhythm of my steps.	Talvez eu fique triste ao concluir que não consigo seguir o ritmo da música. Mas então, farei que a música siga o compasso dos meus passos.
Perhaps I will never be able to see a rainbow. But I will learn to draw one, even if it is only inside my heart.	Talvez eu nunca consiga enxergar um arco-íris. Mas aprenderei a desenhar um, nem que seja dentro do meu coração.
Perhaps today I feel weak. But tomorrow I will begin again, even if in a different way.	Talvez hoje eu me sinta fraco. Mas amanhã irei recomeçar, nem que seja de uma maneira diferente.
Perhaps I will not learn all the lessons I need. But I will be aware that the true teachings are already engraved in my soul.	Talvez eu não aprenda todas as lições necessárias. Mas terei a consciência que os verdadeiros ensinamentos já estão gravados em minha alma.
Perhaps I will feel discouraged for not knowing the lyrics of that song. But I will be happy for the other abilities I possess.	Talvez eu me deprima por não ser capaz de saber a letra daquela música. Mas ficarei feliz com as outras capacidades que possuo.
Perhaps I will have no reason for great celebrations. But I will not stop rejoicing in small achievements.	Talvez eu não tenha motivos para grandes comemorações. Mas não deixarei de me alegrar com as pequenas conquistas.
Perhaps the desire to give up everything will become my companion. But instead of running away, I will run after what I long for.	Talvez a vontade de abandonar tudo torne-se a minha companheira. Mas ao invés de fugir, irei correr atrás do que almejo.
Perhaps I am not exactly who I would like to be. But I will begin to admire who I am.	Talvez eu não seja exatamente quem gostaria de ser. Mas passarei a admirar quem sou.
Because in the end I will know that, even with countless doubts, I am capable of building a better life. And if I am not yet convinced of this, it is because, as the saying goes: "It is not the end yet."	Porque no final saberei que, mesmo com incontáveis dúvidas, eu sou capaz de construir uma vida melhor. E se ainda não me convenci disso, é porque como diz aquele ditado: "ainda não chegou o fim".
Because in the end there will be no more "perhaps", but the certainty that my life was worth it and that I did the best I could. ✨	Porque no final não haverá nenhum "talvez" e sim a certeza de que a minha vida valeu a pena e eu fiz o melhor que podia.
