

The Elephants

#	English Transcript	Tradução
01	Never let one failure from the past hold you back in the future.	Nunca deixe um fracasso do passado prejudicá-lo ao futuro.
02	As a man was passing the elephants, he suddenly stopped, confused by the fact that these huge creatures were being held by only a small rope tied to their front leg.	Um homem, ao passar pelos elefantes, parou de repente, confuso com o fato de que essas enormes criaturas estavam presas por apenas uma pequena corda amarrada em suas patas dianteiras.
03	No chains, no cages.	Sem correntes, sem gaiolas.
04	It was obvious that the elephants could, at anytime, break away from their bonds but for some reason, they did not.	Era óbvio que os elefantes poderiam, a qualquer momento, se libertar de suas amarras, mas por alguma razão, não o faziam.
05	He saw a trainer nearby and asked why these animals just stood there and made no attempt to get away.	Ele viu um treinador por perto e perguntou por que aqueles animais simplesmente ficavam parados ali e não tentavam fugir.
06	"Well," trainer said, "when they are very young and much smaller we use the same size rope to tie them and, at that age, it's enough to hold them."	"Bem", disse o treinador, "quando eles são muito novos e muito menores, usamos uma corda do mesmo tamanho para amarrá-los e, nessa idade, é o suficiente para segurá-los."
07	"As they grow up, they are conditioned to believe they cannot break away."	"À medida que crescem, são condicionados a acreditar que não podem se separar."
08	"They believe the rope can still hold them, so they never try to break free."	"Eles acreditam que a corda ainda pode segurá-los, então eles nunca tentam se libertar."
09	The man was amazed.	O homem ficou pasmo.
10	These animals could at any time break free from their bonds but because they believed they couldn't, they were stuck right where they were.	Esses animais podiam a qualquer momento se libertar de suas amarras, mas porque acreditavam que não podiam, ficavam presos onde estavam.
