The Little Gift	O Pequeno Presente
Reverend Chalfant tells the story of a couple who were celebrating their golden wedding anniversary.	O Reverendo Chalfant conta a história de um casal que estava comemorando bodas de ouro.
Someone asked the husband what was the secret to the success of his marriage.	Alguém perguntou ao marido qual era o segredo do sucesso do seu casamento.
As older people often do, the husband answered the question with a story.	Como as pessoas mais idosas costumam fazer, o marido respondeu à pergunta com uma história.
His wife, Sarah, was his only girlfriend.	Sua esposa, Sarah, foi sua única namorada.
He grew up in an orphanage and worked hard to get what he wanted.	Ele cresceu em um orfanato e trabalhou muito para conquistar o que desejava.
He had never had time to date until the day he met Sarah.	Nunca teve tempo para namorar até o dia em que conheceu Sarah.
Before the young man could reflect, Sarah had him ask her to marry him.	Antes que o jovem pudesse refletir, Sarah fez com que ele a pedisse em casamento.
After the promises made on the day of the nuptial ceremony, Sarah's father took the groom aside and handed him a small gift saying:	Depois das promessas feitas no dia da cerimônia nupcial, o pai de Sarah chamou o noivo de lado e entregou-lhe um pequeno presente dizendo:
"Inside this gift is everything you need to know to be happily married."	"Dentro deste presente está tudo o que você necessita saber para ser feliz no casamento."
Nervous, the young groom tore the ribbon and paper to open the gift.	Nervoso, o jovem noivo rasgou a fita e o papel para abrir o presente.
Inside the box was a large gold watch.	Dentro da caixa, havia um grande relógio de ouro.
He picked it up carefully.	Ele o pegou com cuidado.
After examining it carefully, he saw on the dial a sentence that he would have to read every time he wanted to see the time... words that contained the secret of a happy marriage: "Say something nice to Sarah."	Depois de examiná-lo atentamente, ele viu no mostrador uma frase que teria que ler, obrigatoriamente, todas as vezes que quisesse ver as horas ... palavras que continham o segredo de um casamento feliz: "Diga alguma coisa bonita a Sarah."
