The Photographer	O fotógrafo
The photographer for a national magazine was assigned to get photos of a Great forest fire. Smoke at the scene was too thick to get any good shots, so he frantically called his home office to hire a plane. "It will be waiting for you at the airport!" he was assured by his editor.	O fotógrafo de uma revista nacional foi designado para tirar fotos de um grande incêndio florestal. A fumaça no local era muito densa para conseguir boas fotos, então ele ligou freneticamente para seu escritório solicitando o aluguel de um avião. "Ele já está à sua espera no aeroporto!" garantiu o seu editor.
As soon as he got to the small, rural airport, sure enough, a plane was warming up near the runway. He jumped in with his equipment and yelled, "Let's go! Let's go!"	Assim que ele chegou ao pequeno aeroporto rural, com certeza, um avião estava esquentando os motores perto da pista. Ele entrou no avião com seu equipamento e gritou: "Vamos! Vamos!"
The pilot swung the plane into the wind and soon they were in the air. "Fly over the north side of the fire," said the photographer, "and make Three or four low level passes."	O piloto girou o avião contra o vento e logo eles estavam no ar. "Sobrevoe o lado norte do incêndio", disse o fotógrafo, "e faça três ou quatro passagens baixas."
"Why?" asked the pilot.	"Por que?" perguntou o piloto.
"Because I'm going to take pictures! I'm a photographer, and photographers take pictures!" said the photographer with great exasperation.	"Porque vou tirar fotos! Sou fotógrafo e fotógrafos tiram fotos!" disse o fotógrafo com grande exasperação.
After a long pause the pilot said, "You mean you're not the instructor?"	Após uma longa pausa, o piloto disse: "Quer dizer que você não é o instrutor?"
