

## The Frogs

	English Transcript	Tradução
	The Frogs	Os Sapos
01	In Frogland three frogs were walking through the forest.	Na Sapolândia três sapinhos estavam passeando pela floresta.
02	Suddenly, they fell into a pot full of milk.	De repente, caíram numa panela cheia de leite.
03	As soon as they started to struggle, all the other frogs in Frogland went to see what was happening, as there was a commotion in the forest.	Assim que começaram a se debater, todos os outros sapos da Sapolândia foram ver o que estava acontecendo, pois estava uma algazarra na floresta.
04	It was then that the first frog died.	Foi aí que morreu o primeiro sapo.
05	The whole Frogland started to shout:	A Sapolândia toda começou a gritar :
06	"Stop struggling, it's better to die rested than struggling!", said some.	"Parem de se debater, é melhor morrer descansado do que se debatendo!", diziam uns.
07	"They're really going to die!" said others.	"Vão morrer mesmo!", diziam outros.
08	It was then that the second frog died.	Foi então que morreu o segundo sapinho.
09	The other frogs tried, in vain, to make the third frog give up struggling.	Os demais sapos tentavam, em vão, fazer o terceiro sapinho desistir de se debater.
10	But the more they talked, the more the frog struggled.	Mas quanto mais eles falavam, mais o sapinho se debatia.
11	And it was thrashing, thrashing and thrashing so vigorously that, suddenly, the milk in the pan turned into butter and the frog was saved.	E foi se debatendo, debatendo e debateu-se tão vigorosamente que, de repente, o leite da panela virou manteiga e o sapinho se salvou.
12	Amazed by such prowess, Frogland scientists decided to study the frog.	Espantados com tamanha proeza, os cientistas da Sapolândia decidiram estudar o sapinho.
13	Do you know what they found?	Sabe o que descobriram?
14	<b>THE FROG WAS DEAF!</b>	<b>O SAPO ERA SURDO!</b>
15	That is, he did not let himself be contaminated by the negativity of others, because he could not hear; and so, he could save himself.	Ou seja, não se deixou contaminar pelo negativismo dos outros, porque não podia ouvir; e assim, pode se salvar.

## Contagem de palavras
