The Test	A Prova
Look what a professor is capable of doing.	Olhem o que um professor é capaz de fazer.
The fact narrated below is real and happened in an Engineering course, soon becoming one of the "legends" of the college.	O fato narrado abaixo é real e aconteceu em um curso de Engenharia da USJT (Univ. São Judas Tadeu), tornando-se logo uma das "lendas" da faculdade.
On the eve of an exam, 4 students decided to throw everything up in the air: they were going to travel.	Na véspera de uma prova, 4 alunos resolveram jogar tudo para o alto: iriam viajar.
They missed the exam and then decided to do something about it.	Faltaram a prova e então resolveram dar um "jeitinho".
They returned on Tuesday, but the exam had taken place on Monday.	Voltaram a USJT na terça, sendo que a prova havia ocorrido na segunda.
Then they went to the professor:	Então dirigiram-se ao professor:
-- Professor, we went on a trip, the tire got flat, we couldn't fix it, we had a thousand problems, and because of all this we were late, but, we would like to take the exam.	-- Professor, fomos viajar, o pneu furou, não conseguimos consertá-lo, tivemos mil problemas, e por conta disso tudo nos atrasamos, mas, gostaríamos de fazer a prova.
The teacher, always understanding:	O professor, sempre compreensivo:
-- Of course, you can take the test this afternoon, after lunch.	-- Claro, vocês podem fazer a prova hoje a tarde, após o almoço.
And so it was done.	E assim foi feito.
The boys rushed home and studied as hard as possible.	Os rapazes correram para casa e se racharam de tanto estudar, na medida do possível.
When it was time for the exam, the teacher put each student in a different room and handed out the exam:	Na hora da prova, o professor colocou cada aluno em uma sala diferente e entregou a prova:
First question, worth 1 point: something about Ohm's Law.	Primeira pergunta, valendo 1 ponto: algo sobre a Lei de Ohm.
The four were happy because they had seen something about the subject.	Os quatro ficaram contentes pois haviam visto algo sobre o assunto.
They thought that the test would be very easy and that they had managed to "get along".	Pensaram que a prova seria muito fácil e que haviam conseguido se "dar bem".
Second question, worth 9 points: "Which tire went flat?"	Segunda pergunta, valendo 9 pontos: "Qual pneu furou?"
